

YOU CAN'T
CHILDPROOF
NATURE.

SO NATURE-
PROOF THE
CHILD.

Chairman Gert Boyle

Locks, covers, alarms and monitors. You stop just shy of padded walls to ensure the safety of your child. Your home is the ultimate safety zone. And with Columbia's Junior Glacier Parka® the outside can be too.

Its Boxed Rip® shell and FahrenHot® insulation are as close as you'll come to neutralizing the effects of a storm system. Add to that Hammerhead Oxford® reinforcements on the elbows, shoulders and the seat and

Columbia

you have a coat that can stand up to Mother Nature, as well as your child.
